Executive News - September 2019

Dear Garry Smee
delegate@bmwmccact.org.au
BMWWMCCACT

Here is the news for you and sharing within your Club.

As the southerner's winter draws to a close, I write this with remnants of last week's snow on the Brindabella's west of Canberra. This has not deterred me riding the bikes and going to the winter rallies or club social and community rides.

Last weekend saw the National Museum of Australia take some of their collection out to Wakefield Park for a few laps. For me it meant the R100RS (on concessional redgo) got a run around the southern highlands and visit to the track and more fun. There was plenty of filming so check the NMA website.

Second Circuit @ Mt Panorama

For the motorsport enthusiasts amongst us, you will be pleased to hear that Bathurst Regional Council is pressing on with the planning, design and construction (2021) of a new second circuit near Mt Panorama suitable for cars and motorcycles to an International standard.

You can find the details here <https://www.bathurst.nsw.gov.au/mount-panorama-second-circuit.html> including the opportunity to add your Club or individual member favourable comment to the proposal.

BMWCA Website & Club Events

Each Club has a website and to varying degree social media presence. It is the Club committee prerogative as to how much of your website or social media is open and accessible to members and/or public. We are all aware of the benefits and risks associated with these media.

VC Cars recently invited car clubs to nominate their Club events to the Clubs Australia (CA) website. To narrow this down, the intent was to post national events (Nationals, Motorrad Rally) or those of significance for example Club motorcycle rallies or inter-car club motorsport events not the monthly run down of your club's calendar. Email details or link to chair@bmwclubsaustralia.org.au.

Currently any person landing on the BMWCA website and clicking on your Club logo will go offsite to that Clubs homepage. CA will not be posting links to uncontrolled or 3rd party material.

BCCM 2020 Award Nominations

Nominations for the following Awards close January 2020. Any individual or club submission must be to a high standard, have the home Club Committee's endorsement before submitting through and with BMWCA Executive support. Personal and direct submissions will not be considered by BCCM (BMW Club & Community Management).
